

This report is updated weekly & accurate at publication date. If you don't see an item on the list, or need to know lead times for larger quantities, assemblies, etc., please do not hesitate to contact us. We have inventory data for the New Zealand warehouse with an "order by" deadline to be included with our next scheduled shipment. In addition, we can expedite shipping directly from New Zealand inventory (3-5 business days) for an upcharge (which is reasonable given that kitset packaging is compact).
